Portfolio

Interactions
Connect, Collaborate

Educational Resources
Videos, Documents, Meta data

MOOC is an Event

- MOOC has a classroom online yet its management is more like that of an event - a conference or a media event
- Teachers may not be entire focus of attention!
- The Interaction spaces throws up their own Heroes

| Before, During |

Student engagement: Before, During, After

- Registration and preparation – what to expect
- Monitor activity during the course
- Post-event engagement - providing a platform that allows students to continue their association
